---

**Conference funded in part by the Government of Ontario**
Conference Streams — Preliminary topics (subject to change)

Note that registrants will be asked to register for their sessions in September 2015 once the final program is prepared.

Skill-Building Workshops
(Pre-Registration will be required)
- Leadership Program for LTC: How We’re Making Better Leaders
- Culture Change in LTC: How We’re Moving From an Institutional to Social Collaborative Model of Care
- Gamification to Engage LTC Staff and Students in Learning
- Back to the Drawing Board: The Arts as Experiential Learning in LTC
- Hands-On Oral Care: How to Support Registered Staff in Assessing Oral Health
- Engaging Staff in Conversations About Palliative and End-of-Life Care: Using the Square of Care Game

Evidence-informed care and QI – Session A
- Neighbourhood Team Development
- Oral Care Assessment
- Quality of Life Measurement
- Becoming and Thriving as a Long-Term Care Best Practice Organization
- Improving Quality Through Best Evidence Reviews
- Family Perspectives

Evidence-informed care and QI – Session B (recommended for health care professionals)
- Potentially Inappropriate Prescribing
- Deprescribing
- Identification of Residents Who Could Benefit From a Palliative Care Approach
- Team Essentials for Preventing Acute Deterioration
- Long-Term Care Clinical Priority Topics

Planning for the Future of Long-Term Care
- Dementia – Impacts and Solutions
- Health Human Resources Forecasting and Planning
- Health Care Use and Costs at End-of-Life and in Long-Term Care
- Transitions in Care and Wait Times
- Specialized Units in Long-Term Care
- Predictors for Long-Term Care Admissions and Outcomes
- Case Costing in Long-Term Care
- Evaluation and Knowledge Translation for Long-Term Care Systems Research

Nuts & Bolts of Education Programs
- Living Classroom
- Personal Support Worker Education Standards — Implications
- BScN 4th year placements in Long-Term Care
- Summer Internship Program for Undergraduate Students in the Health Professions
- Team Essentials for Coordinating Care for Responsive Behaviours
- Team Essentials for Engaging Families in Care
