

EDUCATION & MENTORSHIP PROGRAM: ENHANCING CLINICAL NURSING LEADERSHIP IN LTC

RPNs and RNs from any LTC home in Ontario are invited to a **FREE 2-day session*** being hosted at Lanark Lodge in Perth, ON**

Audience: *RPNs and RNs in LTC who have high potential to excel in leadership currently or in the future.*

Workshops offered in English & in-person only.

FIRST SESSION

Monday, March 19, 2018 (8AM-4PM)

At the end of this session, participants will:

- Be able to describe principles of leadership and their personal leadership style and skills.
- Be able to discuss the importance of leadership in the workplace.
- Be more comfortable and confident using communications skills for delegation, conflict resolution and empowerment of colleagues in the workplace.
- Have increased confidence to implement leadership strategies in the workplace.

SECOND SESSION

Tuesday, March 20, 2018 (8AM-4PM)*

At the end of this session, participants will:

- Be able to describe the concept of mentorship and relate it to their personal professional development.
- Identify facilitators and challenges to implementing leadership practices in their workplace, in conjunction with someone working in a leadership role within their LTC home.
- Describe strategies to address barriers to implementing leadership practices in their workplace.
- Develop a plan for mentorship after the workshop including identifying a leadership mentor, and approaches for initiating the mentorship relationship.
- Identify personal objectives for moving forward to implement leadership practices in their workplace.

* Nurses are required to attend both sessions. And, your direct supervisor is required to attend Session #2 from 12:00 pm to 4:00 pm.

**A light breakfast and lunch will be provided. Complementary parking available for both dates. Lanark Lodge is located at 115 Christie Lake Road, Perth, ON, K7H 3C6
