

Nursing PLEDGE

Become a Nurse Mentor

Your experience can shape a career

What is a nurse mentor?

A nurse mentor

- Is an experienced RPN, RN, or NP, registered in good standing with the College of Nurses of Ontario
- Provides dedicated mentorship to nurses in the LTC home who would benefit from coaching and support

Why is it important?

For the LTC home

- Create a safe and supportive environment for knowledge and skills development
- Improve team member retention
- Strengthen the quality of resident care

For the nurse mentors

- Enhance leadership, communication, and clinical practice skills
- Contribute to the strengthening of the team and colleagues
- Stoke their passion for health care

What do nurse mentors do?

- Guide and support new nurses in your LTC home
- Promote clinical knowledge and best practices
- Share feedback, encouragement, and support
- Foster mutual confidence, safety, and professional growth

If you are interested in becoming a nurse mentor, please connect with the administration team in your home.
