Ontario CLRI 2025-26 Impact Report

Weaving a Web of Quality Care is launched ([English](#)/[French](#)). Key highlights:

- Reached 95% of Ontario LTC homes, with 313,851 course completions.
- From Palliative and End-of-Life Care to Workforce Mental Health, see how we are delivering evidenced-based education across 10 thematic areas.
- A profile on Lee Manor in Owen Sound spotlights the impact of CLRI training.

Please help us spread the word by sharing the report and amplifying the Ontario CLRIs posts on LinkedIn.
